Another info we want to provide to you
How many matches are UNFINISHED for each
ARCHETYPE?

Every DRAW, or 1-0 is a UNFINISHED MATCH!
In a 14 round tournaments, a DRAW counts almost
like a LOSE match!

It's incredible to see a GOLGARI FOG reaching
17% of draw rate and 42% unfinished matches?
Not at all!

Please be aware that JUND WILDFIRE, the most
played archetype, TRON decks and CAW Gates have
the same problem.

If you want to avoid to draw? Best solution is
always the OLD MONORED BURN WAY!
